

Sound Level Meter Frequency Response Measurement Report

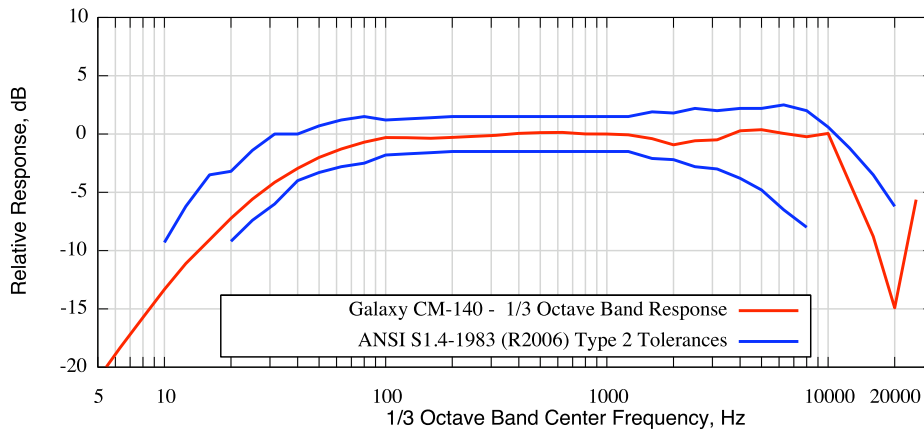

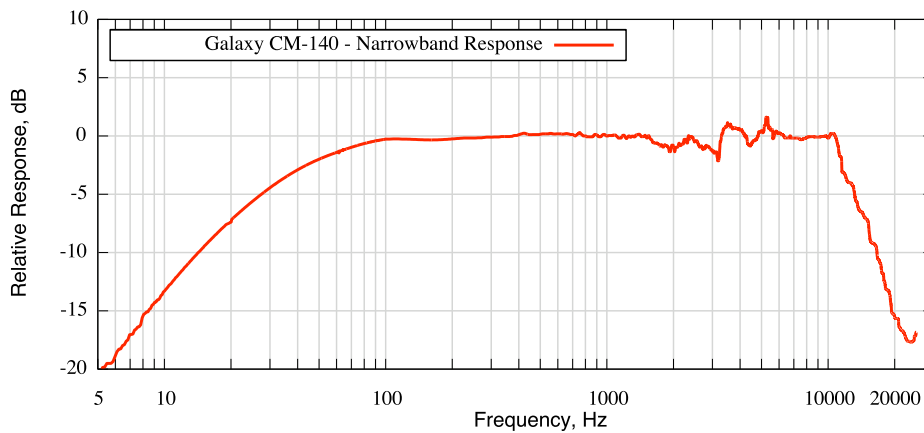

Customer: Client Name **Address:** 500 Mulberry Street
Project No.: J2009-170 Springfield, MA 01139

SLM Manufacturer: Galaxy **Model Number:** CM-140
Serial Number: 060409362

Measurement Date: Jan 29, 2009 **Temperature:** 70°F/21°C
Engineer: H. Singleton **Humidity:** 68%

Ref. Calibrator: GenRad 1986
Serial Number: 00242

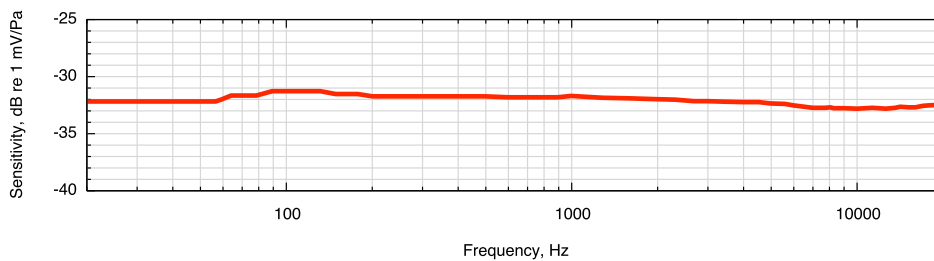

C-Weighted Random Incidence Response:

This frequency response measurement is not a NIST-traceable calibration.

Reference Microphone

Reference Microphone Frequency Response: ACO Pacific 7052S, S/N 31220, Cal. Date March 16, 2006

Customer: Client Name
Project No.: J2009-170
Address: 500 Mulberry Street
Springfield, MA 01139

SLM Manufacturer: Galaxy
Serial Number: 060409362
Model Number: CM-140

Measurement Date: Jan 29, 2009
Engineer: H. Singleton
Temperature: 70°F/21°C
Humidity: 68%

C-Weighted Frontal Incidence Response:
